THY KINGDOM COME

10th to 20th May 2018

During the 10 days of Thy Kingdom Come, it is hoped that everyone who participates

will deepen their friendship with Jesus, bring others to know Jesus or know him better, and come to know that every aspect of their life is the stuff of prayer.

Thy Kingdom Come is a global prayer movement that invites Christians around the world to pray for more people to come to know Jesus. People around the world are invited by Archbishop Justin Welby to join the global wave of prayer and you can pledge to pray and see your light join those from Christians across the globe. If you would like to join in, whether as a church, as an individual or as a group there are plenty of great ideas and resources to help:

FREE materials (listed below) relating to Thy Kingdom Come are available from your Church please share them as widely as possible with our ecumenical friends

Morning and Evening Prayer – an easy to use booklet to encourage individuals who don't normally join in Morning and Evening Prayer

The Prayer Journal – with a different theme for each day. It has been designed with youth and young people in mind but would work for all ages. Interactive and creative, this will make it easy for people to get involved.

The Novena – Each page a Bible passage and prayer. The little Novena booklets are to encourage prayer, reflection and even group study.

Following the effectiveness of the 'Beacon' event at the Cathedral last year, there will again be a large-scale event to which all are welcome.

This is at Truro Methodist Church on the afternoon and evening of Sunday 13th May 2018 entitled **"Together for God's Kingdom"**

To find out more visit the Thy Kingdom Come website:

"In praying 'Thy Kingdom Come' we all commit to playing our part in the renewal of the nations and the transformation of communities."

GREEN CHURCH KERNOW

ENVIRONMENTAL AWARD SCHEME

Responsibly growing our churches

We are all invited to share in God's mission in the world.

Anglicans list five 'Marks of Mission', calling everyone of us to a radical and whole-life response.

The Fifth Mark is: "To strive to safeguard the integrity of creation and sustain and renew the life of the earth"

To help us, Climate Vision have created the list of ten easy-to-implement Pledges to achieve global carbon reduction. Since 2009, individuals have used these to make impressive savings through small changes in habits.

As a Church we are encouraged to join this scheme.
