CHURCH ON THE BEACH

We will once again be a presence on the beach in Perranporth, having secured Beach Hut number 30 once again

We have upgraded the facilities a bit this year, with some more comfortable chairs – hopefully, and put in a small cooker, kettle, so hot drinks can be made, although you will need to supply milk other items will be there.

We hope to be open between 2-4 each day in July and August,

Also if you would like to use the hut to enhance your beach trip, or as a place to sit and relax at any other time then please do. If you need access details or want to offer cover please contact Anne

SLURPS and BURPS

Our group for little ones and their parents and carers goes from strength to strength.

First anniversary celebrations In April were great fun with a bubble machine, dancing, pass the parcel and, of course, a birthday cake (thank you Viv).

Around 12 - 18 little ones come along each week so we must be reaching quite a lot of young families.

As well as a place to meet and chat, tea, coffee and home made cake are on offer.

We're on Facebook as well as having cards to advertise in various places around the village.

Friday mornings in the Church Hall, 10 - 11 am for the under ones and 11- 12 for toddlers though that's flexible.

Do spread the word and continue to pray for all those involved, families and helpers

WATER TANK APPEAL

£1050 has been collected in the Cluster enabling further projects. A big thank you to all for your efforts to raise this magnificent amount.
