IN THE BLEAK MIDWINTER

Christmas always seems to be accompanied by jolly songs, ringing tills, and the expectation that you will have a good time. But that's not how it feels for many people. Maybe your year has been hard, for whatever reason, bereavement, illness, estrangement or worry, and Christmas seems to highlight these difficulties. Or maybe in an over busy life, you just want space to reflect, recall or regroup.

Whatever the reason, whatever the need, you are welcome to join us in our service to help you find the space and hope which the Christmas story offers. The service is based around Prayers, Readings and Singing Carols and commences with the lighting of a candle as a sign that when all seems dark, there is still light, however small or dim it may seem.

EVERYONE WELCOME
